INVESTMENT ZONE

We're proud to have played a key role in Wrexham's transformation over the last 20 years

WREXHAM, A HUB FOR INNOVATION AND GROWTH

From a bold vision to a thriving centre of innovation, Wrexham has attracted global companies like JCB and Kellogg's, becoming a hub for growth and collaboration.

This success is driven by a powerful partnership between public and private sectors, working together to support the growth of both SMEs and international businesses.

A £160M OPPORTUNITY FOR ADVANCED MANUFACTURING

The £160m Advanced Manufacturing Investment Zone, led by local councils and the Welsh and UK governments, will create a world-class manufacturing cluster in Wrexham. Our developments at Wrexham Industrial Estate – Wrexham 1M, Wrexham 152, and Bridgeway Centre – are central to this exciting initiative.

DRIVING ECONOMIC GROWTH & JOBS

Since 2006, FI Real Estate Management has committed over £136m to Wrexham's industrial space, with plans to expand to over 3 million sq ft, creating an estimated £12 billion in value over the next 10 years.

The Investment Zone will generate 6,000 new jobs and attract £1bn of investment, with infrastructure improvements benefiting all tenants and supporting local talent development.

FINANCIAL INCENTIVES TO SUPPORT GROWTH

Tenants at Wrexham Industrial Estate will benefit from business rates relief and Full Stamp Duty Land Tax relief. For example, Wrexham 1M could save tenants over £20m over the next 10 years, accelerating business growth.

With these incentives, Wrexham is poised to become a leading advanced manufacturing hub, drawing international investment and creating a globally significant cluster in North-East Wales.

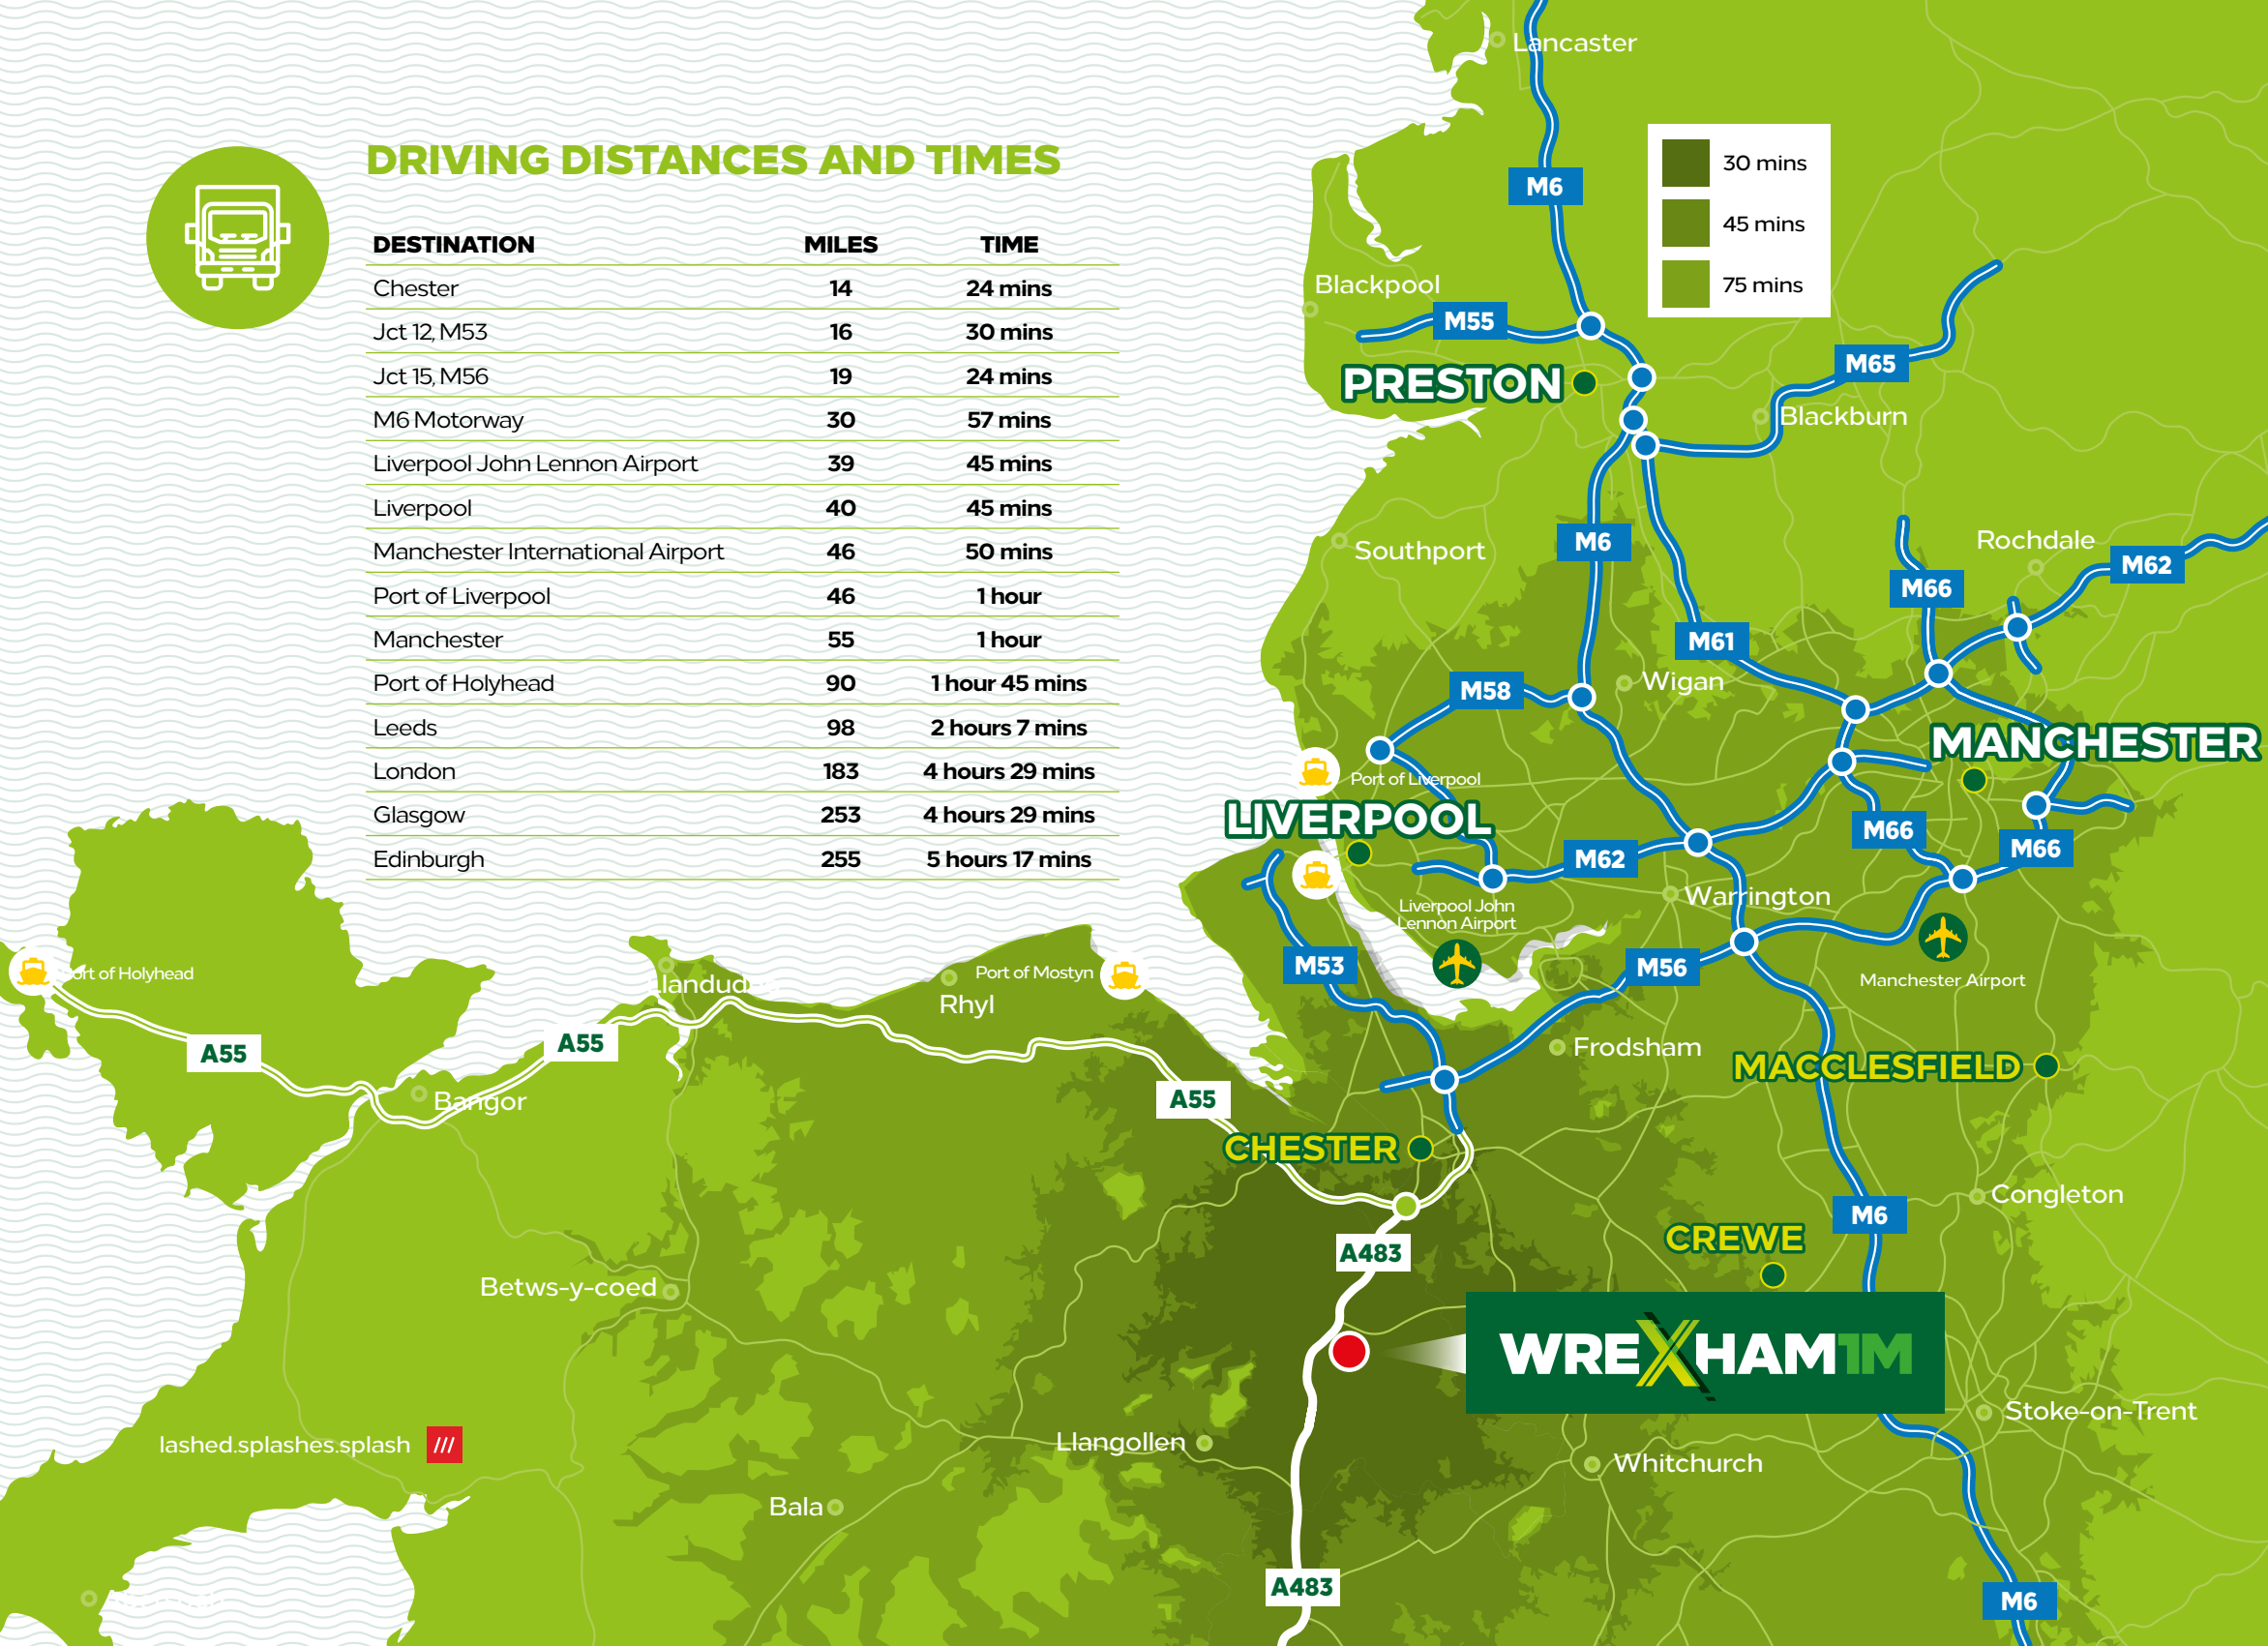

A COLLABORATIVE FUTURE

We're excited to continue working with local authorities and communities to ensure Wrexham's growth benefits all. These investments will drive the regional economy, creating opportunities for businesses and people alike.
